Hello and welcome,

I am humbled to serve as your president this year. Each Rotary year has a new focus, and this year we will be partnering with the youth of Boulder City in our greater work toward the Rotary International message to "Create Hope in the World" and tackle mental health.

As we build a stronger future for our community, It' is vital that we are reaching out to new people and introducing them to Rotary.

One of the missions of Rotary, is to represent the community that it serves. More diverse voices in our clubs and in our leadership will help Rotary stay in touch with a changing world. Please find opportunities to share the joy that Rotary has brought to your life.

Let's find ways to make the work of others easier and impact those in our community in a positive way. Focus on the impact that you are having on your community, and allow that great momentous and rewarding feeling to fuel your future efforts. This is how we will continue to have an exponentially beneficial impact on the world.

Your ideas and perspective is encouraged at Rotary. We hope that you will join us at one of our upcoming events or meetings. Check out our socials for updated information.
